Come and meet with others who love, serve and are passionate about DTS. If you are involved in any way with DTS's in Europe we welcome you to join with us for this amazing time!

Don't miss this critical time where we will aim to …

• Build relationships with one another who are serving DTS's across Europe
• Establish new friendships and see what God may want to do through our relationships
• Join in the fun away from your responsibilities, and play a little, eat a little and laugh a little
• Focus on yourself and where God is taking you both personally and with your DTS's
• Create together the picture of what God is doing in and through DTS's across Europe
• Hear fresh stories from today of what God is doing through DTS's and let your faith be stirred
• Understand what fruitful and effective outreaches can really look like in DTS's
• Grow in better understanding of Europe's unique calling in reaching the world
• Minister to one another
• Encounter God in times of worship and intercession
• Return renewed, refreshed, envisioned, equipped and better connected

What you will bring to our time together as someone presently working with the DTS will be invaluable for all of us …. So please don't miss this opportunity, it may be one of the best things you could do this year!
