

Western European DTS Leaders & Staff Gathering

Dear Friends serving in the DTS world of Western Europe,

We warmly invite you to a gathering especially for **DTS Leaders** and **Staff** serving in DTS's across **Western Europe!** This DTS Gathering will take place at **Holmsted Manor** in England **August 16th - 19th 2010**.

Come and meet with many others who love, serve and are passionate about DTS's in our region of the world. If you are currently involved in any way with **DTS's** in Portugal, Spain, France, Germany, Switzerland, Italy, England, Scotland, Ireland, Belgium, or the Netherlands, we welcome you to join with us for this amazing time.

Don't miss this critical time where we will aim to ...

- **Build** relationships with one another who are serving DTS's all over Western Europe
- **Establish** new friendships and see what God may want to do through our relationships
- **Join** in the fun away from your responsibilities, and play a little, eat a little and laugh a little
- **Focus** on yourself and where God is taking you both personally and with your DTS's
- **Create** together the picture of what God is doing in and through DTS's in Western Europe
- **Hear** fresh stories from today of what God is doing through DTS's and let your faith be stirred
- **Understand** what fruitful and effective outreaches can really look like in DTS's
- **Grow** in better understanding of Europe's unique calling in reaching the world
- **Minister** to one another
- **Encounter** God in times of worship and intercession
- **Return** renewed, refreshed, envisioned, equipped and better connected

What you will bring to our time together as someone presently working with the DTS will be invaluable for all of us So please don't miss this opportunity, it may be one of the best things you could do this year!
