

Kingdom Outreach Objective

Notes from class discussion:

- God is calling me – everything I do/am is part of this.
- Jesus is in your heart – connect to that and do it.
- Romans 14:7
- How do we design an outreach so that we are displaying the kingdom?
- How do you intend to live your life on outreach?
- What is the objective of the outreach?
- What broad principles (not programs) do we need to establish to reach these objectives?
- Create an exercise asking God with the team how we can be creative in using our talents, gifts, etc.
- Make a team covenant of what team is expecting on outreach of each other and committing to it.

Outreach planning and evaluation form for integrating kingdom principles

The following tool is meant to help any outreach team / leader to look at the main beliefs a team is wanting to implement on an outreach, or what kind of fruit they are wanting to see. One can work from either side and develop appropriate attitudes and actions to accomplish it. Or one can look at an existing action / attitude and see what kind of belief or consequence would come from that and then decide if that is kingdom belief or not and replace it with what God desires in that situation.
